

THE GLUE

EL PASO SCALE MODEL SOCIETY

OCTOBER 2015

www.ipmselpaso.us

Jim Davis' 1/72nd scale Airfix B-25J
and Monogram 1/48th scale B-25J

Club News

Our October meeting got off to a good start. We had one adult visitor, **Kenyon Souflee** that likes war planes, jets especially. Welcome to Kenyon. **Mike Garcia's** nephew **Joaquin** also was a guest.

I did not get a late count but went to the member ship list to get a count. We had 26 members and guests according to my count. Most of the folks at the meeting divided into their area of main interest and discussed the many items brought by the members.

Thanks to **Fabian Nevarez** for his efforts with the taking of the photos. Without Fabian, **Michael Kennedy** and **Steve**

Herren there would be little in the GLUE other than my text and a once in a while picture sent from some one else.

Jerry Richardson from Amarillo re-joined us after a time of non-membership. When he lived in Deming, he attended several meetings and has come to some of our contest, DesertCon.

To top that off he paid his dues for two years.

My apologies go out to **Richard Macias**. I did a copy and paste of his F-8 and I remember writing about it, but it did not show up in the GLUE. I guess I put another picture over his.

“The Glue” is the official publication of the El Paso Scale Model Society. We publish on a monthly basis and try to cover just about any area of interest that club members may have.

Model pictures, articles, kit reviews, suggestions of any kind, wants and disposals, items for publication, and general gripes, should be sent to the following email address:

BagpipeJM@aol.com

Meeting Dates for 2015

January	4	September	13
February	1	October	4
March	1	November	1
April	12	(Basset Show #2)	8
May	3	December	6
June	7	(Basset dates subject to change)	
July	5		
August	2		
(Basset Show #1)	9		

The El Paso Scale Model Society

Our club is a chartered chapter of the International Plastic Model Society - U.S. Branch (the IPMS-USA). The EPSMS was first organized in 1969, received its charter in 1970, and has been continuously active since that time.

We are a non-profit organization dedicated to promoting the art of scale modeling (regardless of construction media), and membership is open to anyone interested in scale modeling. Club membership dues are payable on an annual basis (we can accept cash or personal checks). Dues are \$15.00 per year for regular members over the age of 16, and are based on a January-December club year. Junior memberships are available for those aged 16 and under, and are priced at \$5.00 per year. Family memberships are available for an extra payment of \$2.00 per year per family member. Members in good standing are entitled to vote in all club matters, run for office, enter club contests, judge in all club contests, and receive a copy of the club’s monthly newsletter. Hal’s Hobby Warehouse on Bessemer in East El Paso also offers club members a discount on purchases of models and modeling materials. The exact discount is set on a sliding scale. Our club meetings are generally held on the 1 st or 2nd Sunday of each month at 2.00 p.m. in the Fellowship Hall of St. Paul’s United Methodist Church at 7000 Edgemere Blvd (please see the map below). Schedule changes are published ahead of time in the newsletter.

Where We Meet

Fellowship Hall of
**St. Paul’s
United Methodist Church**
7000 Edgemere Blvd

Musings and Reflections

by **JOHN ESTES**

I saw on our web site that David Garcia, a former member, say about 1975 or so had included a page or two from the GLUE at that time with comments about what he had learned and showed some of the pages that the editor Gustav Hebrok at that time had presented. I got the feeling that it is time to get a new editor as what we are doing now may not be of interest or adequate for those that get the GLUE. But as I try to present what we do at a meeting and mostly for our own membership, I guess that my efforts are sufficient for the purpose intended.

I have done at least 204 issues of the GLUE. I did at least three or four special Bassett Show issues. I also did several kit reviews, decal reviews and

other columns. Cliff Bossie has contributed some articles for inclusion since 2000. Jens Ritter did an article on packing models for international moves. These articles were included at the time of their presentation.

My recent computer crash wiped out most of my old stuff. Now I am trying to learn an entirely new system. I also changed from a HP to a Mac which presents some unexpected problems.

Still no info on the Bassett show as our insurance package has not come through at this time. Be prepared for Bassett to bail on us using the no available space excuse.

I got little feed back on having a build night or day time event. I hesitate to ask

about using the Hobby Lobby class room if no one is going to participate. As mentioned, I spoke about Hal's providing a wee

bit of space so that some of our first class modelers could offer a look at what they do to achieve their results. After two months, still no response. I have two other possible places to hold a meeting for a small number of modelers that might want to build, paint, etc.

As I mentioned last month, we are running out of meeting dates for this year. Only two more to go, same time, same venue. Bring a Model and Bring a Friend to the November meeting on Nov. 1.

John Estes

Roger Gutierrez Panzer II in 1/35th scale

Michael Garcia's 1/48th scale P-51C

Show & Tell

Jim Davis brought a 1/72nd scale Airfix B-25J and a Monogram 1/48th scale B-25J painted as 498BS, 345 BG both painted in The Parrot Nose markings circa 1945 in the Phillipines.

Kai Garcia brought an series of War Gaming models to show. He had several 1/285th scale M113 in IDF markings. In the same scale he had Merkava III also in IDF markings. These little models were from the GHQ line. Other Sci-Fi items from Kai included a Spartan Games 1/10000 Hale fleet, from Covenant, a SDV Corvettel, a DRS Heavy Cruiser and a CCS Battle cruiser. From the UNSC group, Kai had a Epcch Heavy Cruiser, a Marathon Heavy Cruiser and some Paris Frigates. Quite a lay-out.

Mike Garcia, Kai's father had a Revell 1/48th scale P-51B Mustang and as a WIP a Pit Road 1/350th scale IJN Escort Ukuru Type-B. Mike is our ship guru.

Jose Roldan's 1/48th Testor's O-2

Show & Tell

John Estes had several items to show and used them in a seminar to show some methods that could be used to answer some specific questions from a few in attendance.

Roger Gutierrez brought a very nice Tamiya Panzer II painted with Testor's Panzer Gray circa 1934.

Richard Macias had a 1/48th scale F-22 as a WIP.

Jose Roldan had finished his 1/48th Testor's O-2 shown in the last issue of the GLUE. This was described as Kimminator 2 called Kim's ride. This is for the Tucson AZ event. Jose also finished his Klingon Bird of Prey for the same event. Testor's provided Jose with a replacement set of decals and he has lauded Testor's for their efforts.

Sal Samaniego had as a WIP; the USS Missouri. Other info not provided, but it looked like one of the Revell kits.

IPMS/USA NEW MEMBER APPLICATION

IPMS/USA is dedicated to the hobby (and fun) of Scale Modeling. It was started by Jim Sage, of Dallas, Texas, in 1964. There are now branches of IPMS all over the world. Our Local Regions and Chapters sponsor Model shows and contests every year, but you needn't be a member to visit the shows or attend the club meetings!

With IPMS/USA Membership, you will receive the outstanding IPMS/USA Journal six times a year - it includes features on all modeling subjects such as aircraft, armor, automotive, ships, figures - you name it! You will also find listings of IPMS contests, swap meets, hints and tips, and reviews.

Membership also qualifies you to participate in IPMS/USA sanctioned contests, and particularly in our World-famous National Convention, held each summer. As a member, you'll also be able to access our online Discussion Board, where a wide variety of modeling topics are discussed, and enjoy interaction with other serious modelers for help with questions about modeling techniques or the Society in general. Many Hobby Shops and Model Vendors around the USA offer discounts to IPMS/USA Members.

Memberships are available in several types:

Junior:	17 years old or Younger, \$17.00 per year
Adult:	1 Year \$30.00
	2 Years \$58.00
	3 Years \$86.00
Family:	Adult Membership plus \$5.00 (Additional Membership cards as requested)
Canada or Mexico:	\$35.00 per Year
Foreign:	\$38.00 per Year (Journal via Regular Mail)
