El Paso Scale Model Society The GLUE

OCTOBER 2013

Michael McCarthy's Monogram F-15A Eagle in 1/48th scale

MEETING NOTES

Our October meeting was a little quieter than usual, but a number of our regular attendees were absent.

Fabian Nevarez was on vacation for a few days and **Bill Coster** went to do a little shooting. **Mike King** was ailing a bit. **Steve Herren**, **Steven Henneessee** and **Julio Sanchez** were also missed. **Eduard Rogers** and **Jim Davis** did not make it to the meeting,

yet, we had about 34 members and family attend.

We had a guest at the meeting, **Jaime Carreon**, a former member from way back came by to visit. He said he had decided to hang up his mechanics tools and let someone else keep the airline he had worked for flying.

John Estes reminded him of his 1/48th

scale B-17 on a three foot square base that he brought to one of the meetings, probably 40 years ago. We are glad that you stopped by and if you return to El Paso, come and join us again.

Another unusual thing about the meeting, we had more works in Progress than finished models. On top of that, some of the models that were finished did not get photographed.

MEETING NOTES

Mike Boudreaux won a third place at the recent Region 6 Contest in Austin with his P-59. Congratulations to Mike. Mike told me that this Yak 3 and Tamiya Betty did not place.

Jim McDaniel sent his regards to the membership via a telephone call.

Thanks go to **Michael Kennedy** for taking pictures at the meeting as Fabian was on the road to the Rio Grande Valley to visit with **Gus Gonzales**.

Rumor had it that **Jerry Wells** was displaying a couple of trophies from the Nationals in Colorado at the meeting. Congratulations go to Jerry for his efforts.

Don Fenton also attended the Nats, but did not take anything to enter in the contest.

SHOW AND TELL

Wayne Williamson brought three pieces of armor which he stated needed the weathering finished, various details added and then dull coated. These were all Dragon models in 1/35th scale. He had a Tiger 1 in the initial release and early style model. His second in progress model was a Panther G and his final model was a Pz IV H.

Denis Cramer had a great looking "Spudder Rig" made from his usual medium, wood. Dennis left early so we have no pictures of the model, but I used to work on a water drilling rig and we had both types, a rotary rig and a spudder cable rig. Dennis's drilling unit separated from the transporter truck and looked very accurate and familiar.

Jose C. Diaz had three of his scratch built from paper busses as WIP's.

Jose Patino brought a Tamiya 1/50th scale Aichi D3A1, Type 99 "Val" as a work in progress.

Michael McCarthy brought a Monogram 1/48th F-15A and he had an AFV M1130 Striker in 1/35th scale. He also had a kit bash P-40B/C made up of several different kits, trying for a better and more accurate P-40.

We now have a IPMS El Paso on Face Book. Below is the link.

Carl Webster brought an IDF Monster Sherman Target TOW in 1/35th scale. He used an Academy hull with a Verlinden conversion kit to complete the model.

Jose Roldan brought wooden Godzilla to show again but this time Jose had stained the model. He had a 1/350th Rodan kit to show. He also brought a Gloster Javelin in 1/48th scale which I think would have to be an Airfix release. Jose also had a Yak-3 in 1/48th scale..
